## What is Goethe-Test PRO?

Goethe-Test PRO is an adaptive online test based on Business German. Adaptive means that the level of the questions adapts to the candidate's level. Depending on each answer given, the system decides whether the next question is more difficult, easier or at the same level. This is done until the appropriate language level can be determined.

### CHOOSE GOETHE-TEST PRO FOR:

- **Recruitment/Job Application:** Quick and fair assessment for your employer.
- **Studies/Training:** Use to measure the development or improvement in your German language studies.
- **Migration:** Simple assessment of your German language skills.
- **University:** For both Swiss and international universities.
